

HIGHAM FERRERS RECEIVES A GRANT FROM LOCALITY

The Neighbourhood Plan Steering Group was pleased to receive confirmation that they had been awarded the full grant of £7000 from Locality to assist with the production of the Neighbourhood Plan. The group has also been awarded a package direct to support well. The funding and the advice will enable the group to employ a Planning Consultant to ensure that the plan will comply with the regulations and also assist with technical advice and policy writing.

This funding and direct support is part of the the government's Supporting Communities in Neighbourhood Planning programme, which is being led by Locality through the My Community Rights website.
